We have not provided additional comment on this project since the public notice had not been issued. We are currently preparing a joint letter with the US Fish and Wildlife Service and will also provide separate comment within the public comment period. I will be happy to send you copies of those letters once they are signed and submitted to the Louisville Corps District, at which time they will be public information.

Thank you, Wendy.

Can you provide a copy of any/all EPA comment letters on the proposal after the November 6, 2013 letter?

Thank you.

Nathaniel
